## ITALIAN LIBERTY, World photographic contest dedicated to the Art Nouveau

*"Beauty will save the world" (Dostoevskij). This is the maxim of the third national **photographic** contest, named "Italian Liberty". This competition, which participation is free, arises in order to pay homage to the amazing heritage of the **Italian Art Nouveau**; for instance: houses, palaces, monuments, sculptures and applied arts. The Italian Liberty **photographic** contest represents a great opportunity to create passion about Beauty and Values promoted by the Liberty association.*
