A photo contest organised by the A.N.D.E.L. association to promote a census of art nouveau architecture and art nouveau works in Italy.

The "**Italian Liberty**" photo contest, organised by the A.N. **Associazione Nazionale Difesa Edifici Liberty** - the **National Association for the Defence of Art Nouveau Buildings** aims to reveal the various forms of art nouveau to a public, from students to professionals and amateurs promote a census of art nouveau works in Italy.

The photos in the contest have to follow one of **4 themes**: "art nouveau architecture", "art nouveau furniture", "art nouveau objects", and "free art nouveau". The fourth theme, which is free, is dedicated above all to never before seen art nouveau details.

The initiative is part of a wider project named "**Italia Libera**" whose creator and artistic director is **Andrea Spezia**, expert in Art Nouveau and the author of works on Art Nouveau architecture.

This arts project includes itinerant exhibitions like **Roma Liberty** and **La Spezia Liberty**, also curated by **Andrea Spezia**, and in the future there will be a **series of public exhibitions** dedicated to Art Nouveau in every region of Italy.
